SEVEN REASONS TO BE CATHOLIC
DR. PETER KREEFT

"Now have a thorough understanding of why I should be a Catholic!"
Matthew - Colorado Springs, CO

Dr. Peter Kreeft, a "C.S. Lewis of our time", is a philosophy professor at Boston College. Convert to the Catholic faith and author of over 50 books, his testimonial account "Seven Reasons to be Catholic" offers a personal, logical, and persuasive witness to the Church, which, like her Lord, is so often misrepresented and misunderstood.

"I never realized just how "Catholic" the early Church was."

"I loved the mini Church history lesson. As to the question of 'Which Church?' His arguments from history were really powerful."
